¶1. (U) This is an action request. See paragraph 4.

SUMMARY

¶2. (SBU) On Monday, June 29, the United Nations added the following individuals to the consolidated list of individuals and entities associated with Al-Qaeda and the Taliban under the UN Security Council Resolution (UNSCR) 1267 sanctions regime: Arif Qasmani, Mohammad Yahya Mujahid, and Fazeel-A-Tul Shaykh Abu Mohammed Ameen al-Peshawari (aka Sheykh Aminullah). On July 1, the Treasury Department announced the domestic designation of Qasmani, Mujahid, and al-Peshawari under Executive Order (E.O.) 13224 for supporting terrorism. The Treasury Department also designated a fourth individual, Nasir Javaid, under E.O. 13224. Javaid was not nominated or listed under UNSCR 1267.

¶3. (U) E.O. 13224 blocks the assets of the designated individual or entity within the United States or in the possession or control of U.S. persons worldwide. The E.O. also prohibits U.S. persons from engaging in any transactions or dealings in such blocked property, including making or receiving any contribution of funds, goods or services to or for the benefit of designated individuals or entities. End summary.

ACTION REQUEST

¶4. (SBU) Action request: At post's discretion, you may inform host government that this UN and domestic designation took place and supply the identifying and background information in paragraph 5. Post may make approaches to host government upon receipt of cable in order to maximize chances that assets may be located and frozen. Post should advise Department of any substantive host country response and any steps taken by host government, with replies slugged for EEB/ESC/TFS (LSRECHT). Please use the terrorist finance tab KTFN and "Terrorism Finance: UN and U.S. domestic designation of the Qasmani, Mujahid, and al-Peshawari" in the subject line. End Action Request.

OBJECTIVES

¶5. (U) Post may draw upon the following points:

-- Inform host government that the U.S. designated Qasmani, Mujahid and al-Peshawari on July 1, 2009 under Executive Order 13224, pursuant to our international obligations under UNSCR 1267 and successor resolutions. This domestic designation freezes any assets these

individuals may have under U.S. jurisdiction and prohibits all financial and commercial transactions between any U.S. person and these individuals.

-- Remind host government that it must undertake similar measures to freeze the assets of these individuals, impose a travel ban, and impose an arms embargo, as required by UNSCR 1267 and successor resolutions for all UN Member States.

-- Request that host government share with us any blocking of assets or other actions undertaken by host government.

--Inform host government that the U.S. also designated Nasir Javaid, head of Lashkar e Tayyiba's military training, under domestic authority only (under E.O. 13224.)

--The provisions of UNSCR 1373 require UN member states to freeze terrorist assets without delay and to prohibit their nationals or persons in their territories from financing terrorism.
